Projects

BridgeLanka – Volunteer Connection Platform (2025-2026) Full-stack web application connecting volunteers with communities. Built using React, Next.js, Node.js and Firebase

Todo App – Full-Stack To-Do App is a MERN-based application demonstrating full-stack development with React, Node.js/Express, and MongoDB, featuring JWT authentication, complete CRUD operations.

Flow – Expense Tracker is a full-stack style React application focused on state-driven UI, authentication flow simulation and transaction CRUD logic.

Dockerized App - This is a containerized MERN-style application built with React and Node.js/Express, using Docker and Docker Compose to manage a multi-service architecture with API routing via Nginx.

Leadership & Activities

- Design Team Lead - Leo Club 2025
of Homagama Central
- IEEE Student Branch Member 2025
- Rotaract Club Member 2017 - 2019
- Project EcoSpark Lead 2024
- Leadership Program - KDU 2018
- Sundown Motorfest 2025
Organizing Committee

About Me

Computer Science undergraduate with a strong academic foundation and a commitment to developing analytical, technical and professional skills through real-world experience. Motivated to contribute to an internship where academic knowledge can be applied, industry exposure expanded, and collaboration with experienced professionals embraced. Driven, adaptable and quick to learn, eager to make meaningful contributions while growing into a confident and capable professional.

Soft Skills

Management skills,
Negotiation skills, Critical
Thinking, Leadership and
Digital Marketing

Technical Skills

- Java, Python, HTML, CSS

Frontend and Backend

- React.js, Node.js, Firebase & firestore, Next.js

Other

- mySQL
- Figma
- Canva
- MongoDB
- Git & Github
- Docker

Certificates

- Foundation in Cybersecurity
- Cybersecurity with Cloud Computing
- ServiceNow IT Professional Leadership

Achievements

- IEEE Xtreme 18.0 Hackathon
- Karate all island under 35kg, Bronze Medal

Languages

- English- Fluent
- Sinhala- Fluent
- Japanese- Beginner

Work Experience

- Trainee 2024-2026
Alpha Medi Lab

Education

Mahanama College 2012 - 2023
G.C.E. Ordinary Level - 8As and 1B

Informatics Institute of Technology 2024
Foundation Certificate Course

University of Westminster 2024 - 2028
Informatics Institute of Technology

BSc (Hons) Computer Science

- Software Development Group Project
- Object Oriented Programming
- Database Systems
- Information Technology Security
- Machine Learning
- Client-Server Architecture
